AFROBEAT

The climax of the week... AFROBEAT will combine functional movements, cardio and bodyweight exercises to produce innovative, fun and groovy workouts. This test will give you the best of interval training on some of the best afro playlists ever designed by our specialists. Hearts will be racing, veins will be pumping and you will be amazing.

WHITE WOLF

WHITE WOLF will allow you to develop your aerobic capacity with our unique cardio machine-based class. Coupled with other stamina building sets, your cardiovascular system is in for a wild ride. Fewer stations and a twist: increasing work time, then decreasing rest time over the workout duration. Don't be fooled by the simplicity of it, the WHITE WOLF stays one of the best cardio focused challenges around.

SPECIAL TAMARIN

Special Tamarin is our local, special, spicy blend. You never know what taste the sauce will bring, just expect your tongue to take the hit! Various apparatus, various locations (could be outdoor too!), various soundtrack but same amount of sweating. This jump into the unknown will fuel your adrenaline every time. Note: really addictive

7 KARI

A delicious curry of boxing combos and athletic drills. 7 KARI will top up your plate with bodyweight movements, plyometrics and boxing exercises. The good vibe of our music and leadership of our coaches will spice up your experience. Maximum workout phases and minimal rests periods will fuel your way to fitness.

SILVERBACK

Embrace the true meaning of power and strength with SILVER BACK. This resistance-based circuit training will allow you to unleash your inner beast and gain more experience in weight training. Heavy compound lifts and muscular overload is what to expect when entering the studio for SILVER BACK. Brace your core and get ready to be a better you... Light weight baby!!

SIDEKICK

I am because WE are... SIDEKICK is an innovative, fun and demanding workout based on team workouts in the form of "you go, I go" or "we go together". Always performed in a safe and controlled format, members work at their own maximum capacity and enjoy themselves. A new test for those looking to build quality lean muscle mass and become more athletic.

SPIN

Here we go!! Spinning activates and recruits all the muscles in your legs and core. This low-impact cardiovascular workout burns calories, improves blood flow, increases stamina, boosts your mood and can help fight chronic disease issues such as high blood pressure, heart disease, stroke, and diabetes. Motivated by our music, its time to spin spin spin.

YOGA

Vinyasa Yoga (Saturday): A fluid and dynamic practice where the class is sequenced with smooth transitions in between postures. We link the breathing to the movement.

Yoga Morning Flow (Tuesday): Fluid yet gentle yoga sequences that wakes up body and mind, activates the gut and gets you ready for the day.

BOXFIT

BoxFit is the fusion of fundamental boxing drills and techniques coupled with strength and conditioning exercises. Learn to punch, knock, and jab while practising cross training boxing workouts. This session is a combination of weight and free weight exercises which can easily help you burn a 500k/cal in one hour!
