## RUN & TALK WITH MARIE PERRIER

Last year in December 2025, Côte d'Or welcomed Marie Perrier, Olympian, elite athlete, trail runner and a versatile long-distance runner for 5 km, 10 km, half marathon and marathon.

Together with the Mauritius Athletics Association (MAA), she hosted a workshop for participants, of all ages, and coaches to share her experience, tips, and some fun moments too.

The agenda was group warm-up, mobility and drills, few exercises and a mini running session. After the workout, there were discussions on various training-related topics, and Q&As.

# CNEF

## CENTRE NATIONAL D'EXCELLENCE DU FOOTBALL

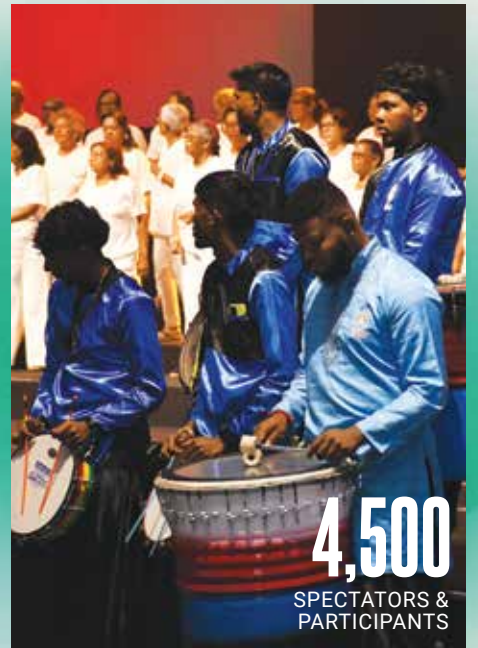

The CNEF was officially launched in October 2025, with Yann Danielou as Academy Director. He holds a football coaching instructor diploma from France Football Federation and an UEFA A License. Danielou played 410 football matches in his European career and has held many coaching positions.

The CNEF is split into 3 boys categories; U15, U17 and second division players, and they compete in the national champions categories respectively.

It's main objective is to establish high-level standards by providing the structural, financial, and human resources necessary to meet the demands and constraints of performance. Danielou's philosophy is what matters is not who the players are today, but who they will become tomorrow. The academy takes a qualitative and developmental approach where the immediate results of the teams are not the only indicators. It also places great importance on holistic development: sports academic and behavioural.

# SING IN PARADISE!

On 27 September 2025, the Main Hall of Côte d'Or echoed the vibrant melodies of the grand opening of African Asia Pacific Choir Games 2025 and Grand Prix of Nations ceremony. Voices from diverse cultures and 14 countries came together in perfect harmony, colours and traditions blending beautifully to create a spectacular celebration of unity and music. Mauritius truly shone as the world's cultures united in an unforgettable night of songs and joy.

Côte d'Or also hosted the award ceremony on 30 September 2025 and the closing ceremony on 05 October 2025. The 14 countries which were in competition are Mauritius, Australia, Bulgaria, China, Democratic Republic of Congo, Germany, India, Indonesia, Kenya, Malaysia, Namibia, Norway, South Africa and Spain.
